

INCREASING RETENTION AND PARTICIPATION OF EARLY CAREER WOMEN IN NUCLEAR

You're invited to join Trellis Collective and Women In Nuclear for a robust discussion about the challenges the nuclear sector are facing when attracting, retaining and accelerating early career women.

A must-attend for organisations who are:

- Struggling to **attract** and **retain** early career women
- Keen to **increase participation** of their female graduates and apprentices
- Seeking ways to more effectively meet their **gender equality goals**
- Prioritising the development of a **robust pipeline** of female talent
- Wanting to better understand Gen Z's unique workplace needs

Thursday 14th Nov.
5:00pm - 6:30pm
